

5/6 Homework – Due Friday 8th September

Mathletics Survey

Students are asked to complete the following survey on Mathletics, looking at its usefulness and enjoyment value. Please answer honestly and sincerely.

1. If your computer gives you a choice, which version of Mathletics do you prefer?

Old Version	New Version
-------------	-------------

2. What part of Mathletics do you spend most of your time doing?

Activities	Tests	LIVE
------------	-------	------

3. What part of Mathletics do you enjoying doing most?

Activities	Tests	LIVE
------------	-------	------

4. If you are having trouble with a question, what do you do?

Use the tool on Mathletics that explains what to do.	Ask mum or dad for help.	Ask your teacher for help the next day.	Just guess.
--	--------------------------	---	-------------

5. In terms of your own learning, are the questions:

Too easy	Just right	Too hard
----------	------------	----------

6. In terms of mathematical understandings, Mathletics improves your learning:

Not at all	A little bit	A fair amount	A lot
------------	--------------	---------------	-------

7. How would you improve Mathletics if you could?
